“With Axon nothing is ever a problem,”

says Onesource Group General Manager of Information Technology, Brendon Avery.

“Axon has become part of my team. I particularly appreciate the Axon can-do attitude and the way their service just gets better and better.

“I recommend Axon to anyone looking for an IT partner they can trust to get the job done – and get it done right.”

Onesource Group General Manager of Information Technology, Brendon Avery selected Axon three years ago to provide sophisticated IT procurement services across the Group's operating divisions. Totalling more than 700 staff at 16 branches and offices nationwide, Onesource Group is one of New Zealand's largest privately owned office technology companies. It is a leader in document production and management through its Konica Minolta subsidiary and in convergent telecommunications solutions through its Cogent Communications subsidiary.
